TSA CHANGES - ARRIVE EARLY

Please be aware of the recent changes to [TSA screening procedures](#), including the requirement to place powder-like substances over 12oz./350ml in your checked bag when traveling on an international flight to the United States. For more information on powder restrictions, visit delta.com.

In addition to these changes, many airports are experiencing a high volume of travelers, resulting in long check-in, baggage drop and security checkpoint lines. Please plan to arrive at the airport at least 2 hours prior to your departure when traveling domestically (within the U.S) and at least 3 hours prior to your departure when traveling internationally. We also encourage passengers to check-in online at delta.com or via the Fly Delta app to help avoid delays.

NEW SERVICE & SUPPORT ANIMAL REQUIREMENTS

Delta welcomes trained service animals, including psychiatric service and emotional support animals on our flights. Effective March 1, 2018 we are changing our requirements. For these requirements please go to: delta.com/animals.

AUTOMATIC CHECK-IN NOW AVAILABLE

We've added Automatic Check-In to the Fly Delta app to save you time and hassle. This means if you're traveling in the United States, Puerto Rico or the U.S Virgin Islands, we'll automatically check you in 24 hours prior to your scheduled departure. Just open the app and you'll be on your way. Don't have the app? Click [here](#) to download. [Learn more](#) about automatic check-in.

RESTRICTED HAZARDOUS ITEMS

To ensure the safety of our customers and employees, **Delta will no longer accept smart bags starting January 15, 2018. Smart bags with non-removable lithium-ion batteries** will not be permitted as carry-on or checked baggage on any Delta mainline or Delta Connection flight. For more information, please visit our [News Hub](#).

Hoverboards or any lithium battery powered self-balancing personal transportation devices are also not permitted as both carry-on and checked baggage.

Spare batteries for other devices, fuel cells, and e-cigarettes are permitted in carry-on baggage only. If your carry-on bag contains these items and is gate checked, they must be removed and carried in the cabin. Further information and specific guidelines regarding restricted items can be found [here](#).

ATL Construction Traffic Update

Please be advised that you may experience roadway traffic delays due to ongoing construction efforts at the South Terminal of Hartsfield-Jackson International Airport (ATL). We recommend that you arrive at least 2 hours prior to your departure time. In addition, customers arriving using commercial transportation such as a hotel or parking service shuttle will be dropped at the North Terminal. For more information, please visit <http://next.atl.com>.
